4.3  A notice as set out in Annexure 3 of the Gauteng Removal of Restriction Regulations, 1997, and prescribed in Section 5(5)(c) of the Act must be sent by registered mail or delivered by hand to each owner of land that abuts the application site and directly opposite the application site not later than the date of the first publication. (see Annexure 6).

4.4  A notice as set out in Annexure 3 of the Gauteng Removal of Restriction Regulations, 1997, and prescribed in Regulation 5(d) and (e) must be placed on the erf boundary clearly visible to the general public and maintained for a period of at least 14 days from the date of first publication.

4.5  In terms of Section 5(7) of the Act, the applicant must submit proof to the satisfaction of the City of Tshwane that he or she has complied with all the provisions of the Act. This is done as follows:

   (i)  **Newspaper advertisements**

   (ii)  **Placard notice**
   The applicant must submit an affidavit stating that the provisions of Section 5(5)(d) of the Act have been complied with (Annexure 5).

   (iii)  **Photos**
   The applicant may also submit **two legible photos** of the placard notice, not smaller than half-postcard size:

4.6  In terms of Section 5(8) of the Act a copy of every objection that is received must be submitted to the Strategic Executive Director: City Planning, Development and Regional Services. The applicant will also receive a copy of each objection from the said Department.

4.7  **Specification of proposed land use rights in advertisement notices**
When an application for rezoning to Zone “Special” is made, the newspaper advertisements and placard notices must clearly specify what new land-use rights are envisaged with the proposed zoning “Special”. When application is made for other rights, the land-use zones formulated in the Tshwane Town-Planning Scheme, 2008, must be mentioned in the notices.
B. GENERAL

1. Applications will not be accepted for consideration if they are not prepared in accordance with paragraph 3 of this document. Incomplete applications are legally not acceptable and will unfortunately have to be returned to the applicant.

2. The motivating memorandum referred to in Annexure 2 of the Gauteng Removal of Restriction Regulations, 1997, shall assist the City of Tshwane to facilitate the processing of the application. This means that the motivating memorandum shall -

2.1 clearly indicate precisely which conditions are to be removed and/or amended.

2.2 in the case of a rezoning clearly indicate precisely what the amendment of the Tshwane Town-Planning Scheme, involves, for example:
   - that the coverage be increased to 72%
   - that the height be increased from 19.00m to 23m;
   - that the floor space ratio be increased from 2.5 to 2.56
   - that the “Residential” rights be changed to “Special” for offices;

2.3 indicate the necessity (need) and desirability of the application with regard to
   - the Tshwane Town-Planning Scheme, 2008 and
   - the future development of the area (it should provide for the present and the future needs of the city, or a part of it, rather than just benefit a specific business).

2.4 contain a thorough motivation, from a land use point of view, of the proposed amendment of the Tshwane Town-Planning Scheme, 2008; including, but not restricted to, the need and desirability of the application.

3. It is of the utmost importance that applicants discuss any removal of title conditions with officials of Regional Spatial Planning Section of the City Planning and Development Division before submitting an application. This will facilitate the processing of an application, and the applicant will benefit for the following reasons:

3.1 By consulting the officials of the Regional Spatial Planning Section an applicant will be informed of the policies the City of Tshwane has formulated for certain types of rezonings.

3.2 Lengthy correspondence owing to uncertainties applicants may have in preparing the required documents will be eliminated.

3.3 An applicant will save considerable time if officials know of an application in advance. This will ensure that all the necessary conditions that need to be included in the amendment scheme are reflected in the documents and that time is not wasted.

3.4 It may happen, and has happened in the past, that an applicant finds that his or her amendment scheme does not provide for certain land use rights/development controls after the amendment scheme has been promulgated. If he or she consults officials in advance, these elements can be included in amendment scheme. In this regard it should be noted that Section 61(1) of the Ordinance (subject to the provisions of Section 61(2) prohibits a further amendment within a period of two years.
